

"You Really Know"

April 2011

We are sharing revelation of what **TRUE LIVING** is and how it brings about one's FAITH into God's knowledge & understanding. This deepening and raising of spirit, soul and body into well developed

**True Living** - in Jesus, in God equals Pure Holiness in Oneness;

and, that's our AIM as God our Father draws us higher still.

(His creating of plans /purposes /visions unto Him + His Anointing + His Grace = "just walk in it". This essence of life ushers us into wholeness and JOY. )

God's own children -friends are encouraged to invest their time and focus in GOD'S PERFECT PURPOSE AND PLAN FOR EACH, **True Living** is this. There are no regrets doing so, neither are there poor returns on earth nor in heaven.

God thought about us long, long ago. He remembered us especially when He looks at His hand. He has never forgotten us.

Know these times as you know the weather and study the warnings so all fears are kept at bay. To know and understand this season, study God's warnings in His Word - don't study interpretations - study His Word.

You have nothing to fear. It is all planned and will be a great benefit.

Remember: His heart which is full and overflowing with benefits.

It is a time of **receiving God's Benefits for His Own**. It is a time to bless my own, says God. I AM has planned such wonder and grace such power in this place ... where GLORY IS GATHERING. Now - the most important of times think on it, meditate on it and your hearts & souls will receive God's Benefits of great, great blessing in **TRUE LIVING**.
